Donate Blood In Memory of **Kaden Keller**

Kaden Keller was only seven years old in 2009 when his journey with cancer began. Being a typical boy, he loved the outdoors and sports. He cherished the hunting seasons dearly, even when he came home empty handed. During the five years of treatment, Kaden received countless numbers of blood products: platelets, blood and plasma. These were gifts of life that helped extend the time Kaden spent with his family and friends. Please donate blood to help patients in need like Kaden.

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service* just by sending a text message of "Y" or "Yes" to our school's short code number, **67587**.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

We recommend saving this short code and Caller ID to the contacts on your phone. This will help prevent any 3rd party call blocking systems from interfering with your receipt of important messages sent by the school or district.

SchoolMessenger is compliant with the Student Privacy Pledge™, so you can rest assured that your information is safe and will never be given or sold to anyone.

**Opt-In from

**Just send "Y"
or "Yes" to
67587.**

 **Information on SMS text messaging and Short Codes:** SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers.

If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/tm for more info.
