SICKNESSES/ABSENCES

If/when your child needs to miss school due to a doctor's appointment or illness, please call the office by 8:00am. Make sure you turn in a doctor's note. This will then be counted as an excused absence which is required for reward days. If you are wanting your child to receive medicine while at school and from the nurse, you must provide the medicine. All students must be fever free without medication for 24 hours before returning to school.

COUNSELOR'S CORNER

Over the next few weeks students in grades K–2 will be focusing on setting short–term goals for themselves.

Students in 3rd Grade are exploring family, community and school traditions and how they might differ from one group to the next.

Students in 4th Grade are discussing respecting differing opinions to maintain healthy relationships with peers.

5th Grade students are discussing things that are stressful, our circle of control and techniques we can use when our stress level is high.

6–8 grade will continue to discuss the parts of the brain and the impact different experiences have on our brain and stress levels.
