## Meal Pick Up & Delivery Changes

Starting next week we will only be delivering meals on Monday and Wednesday in order to limit our volunteers' exposure as well. Meal sacks will have multiple days worth of meals in them. We will be providing a curb side pick up from school between 10-12 Monday and Wednesday as well. If you are able to help us out and pick up for your family, please contact the school office or Mr. League at [mleague@springbluffpirates.com](mailto:mleague@springbluffpirates.com) by March 27 at 3 p.m. Thank you!

## Learning will go on!

Continuing with student learning is critical even though school is not in session. Teachers will be checking in with students through email and/or phone calls several times a week to ensure everyone stays on the learning track. Please reach out to your child's teacher if you have any questions.

## Read to Succeed for K-6

There is still time to earn a free Six Flags ticket. You can register and log your reading at home by using the following link:

## April 7 Election Postponed!

Due to the COVID-19, pandemic, the April 7 election has been postponed until June 2.

The current Board of Education members will remain in place until the election occurs and the board reorganizes in June.

Please contact Pam Schlueter, Board of Education Secretary, if you have any questions.

The Educational Foundation will be raffling a Pit Boss Pro Series 1322 sq. in. Mahogany Pellet Smoker. Students who sell \$50 worth of raffle tickets will jump for bucks after the event is held. If you need more raffle tickets, ask your child's teacher or stop by the school office. **Raffle drawing has been moved to May 7th. Look for more information to come.**

In light of the Spring Bluff Educational Foundation Auction being cancelled, the items that have been donated by local Businesses and Families, along with Class Baskets will be auctioned through an online auction site.

**\*\*Online Auction has been postponed until this Fall\*\***

# Helping children cope with stress during the 2019-nCoV outbreak

Children may respond to stress in different ways such as being more clingy, anxious, withdrawing, angry or agitated, bedwetting etc.

Respond to your child's reactions in a supportive way, listen to their concerns and give them extra love and attention.

Children need adults' love and attention during difficult times. Give them extra time and attention.

Remember to listen to your children, speak kindly and reassure them.

If possible, make opportunities for the child to play and relax.

Try and keep children close to their parents and family and avoid separating children and their caregivers to the extent possible. If separation occurs (e.g. hospitalization) ensure regular contact (e.g. via phone) and re-assurance.

Keep to regular routines and schedules as much as possible, or help create new ones in a new environment, including school/learning as well as time for safely playing and relaxing.

Provide facts about what has happened, explain what is going on now and give them clear information about how to reduce their risk of being infected by the disease in words that they can understand depending on their age.

This also includes providing information about what could happen in a re-assuring way (e.g. a family member and/or the child may start not feeling well and may have to go to the hospital for some time so doctors can help them feel better).
