Attitude Counts in Math

Research shows that having a *positive attitude* about math improves kids' brain function during math tasks—and boosts their performance in school. To promote a positive math mindset:

- ⇒ Remind your child that he can do math, and the more math he learns, the smarter he will become.
- ⇒ Send the right message. Don't say "That looks really hard." Let your child know that figuring out challenging math problems is rewarding and fun.

Read to Succeed for K-6

I hope everyone will take a little time to relax and unwind during Winter Break. Reading a good book is always a great way to relax. This would be a great time to get a jump start on the Read to Succeed reading program. This year all reading must be done at home and logged online by parents. The deadline is March 1st, 2020.

School Cancellations

It's that time of year again. Anytime school is cancelled or dismissed early, parents will be notified through our School Messenger system. Please be sure to contact the school office to update your contact information if your number(s) change anytime throughout the school year. The School Messenger number, 844-875-4925, will appear on your phone and can be called back to replay the message. In order to keep the phone lines available, we ask that you do not call the school office if you missed the message. Thank you in advance for helping us out with this.

A BIG THANK YOU FROM TITLE I!

I would like to thank everyone who came out to our first Title I Cookies and Cocoa with Santa Night and helped make it such a success! I would also like to thank the Educational Foundation for their generous financial support and help that evening, as well as everyone else who gave of their time to make the night what it was.

If you had your child's or family's picture taken at our photo op, be looking for an email in the coming days as I begin to get those sent out. Also, **PLEASE** fill out the survey that was emailed out on Tuesday. I will leave it open through the beginning part of next week. Your feedback is important to us and is also needed for reporting to the state. Your help and feedback are greatly appreciated.

As you are putting your Christmas decorations away this year, please think about donating any strands of lights, aprons, or Christmas books you may no longer need or want. Title I would love to take those off of your hands!
