Student Attendance

Student attendance is critical to their learning and preparing for the next grade level. Students do not have the daily option of choosing if they will learn in seat or from home.

We ask all parents to assist us with making sure students are at school every day. If your student is quarantined, they will continue to have the option to learn from home this year.

We appreciate your assistance with this.

Come join the fun!

Summer School

May 24-June 17

You can register your child(ren) through the link on the districts' website.

Students currently enrolled in kindergarten – seventh grade are eligible to attend.

Kindergarten camp will be held for incoming students in August.
