

# Spring Bluff R-XV

## When will students learn virtually through the AMI plan?

After students have missed 5 days due to weather, we will implement our AMI plan and continue learning from home. As of today, we have missed 4 days. Information was shared with all families during Parent/Teacher conferences in October and students have been informed of where/how to locate schedules and assignments when AMI is implemented.

Next week's forecast is calling for more snow. Teachers are prepared to implement the AMI plan if needed. Notification will be given to parents when a School Messenger call is made to cancel school for the day. A typical virtual learning day will be from 10 a.m.-2p.m. Students will participate in a shortened schedule including instruction in their special class scheduled for the day. Student attendance will be determined on completion of work and participation in online learning. Please contact your child's teacher with any questions specific for your child's class. The full AMI Plan can be viewed [here](#).

### Ways to Stay Informed:

Upcoming Events	Date
NO SCHOOL— President's Day	2/15
3rd Quarter Midterm Ends	2/5
Reports sent Home	2/12
Signed & Returned	2/16
School Board Recognition Week	2/15- 2/19
Heart Challenge Spirit Week	2/22- 2/26
