Red Ribbon Week: Start the Conversation

1. Talk about healthy habits– eating healthy, exercise, good hygiene, etc.
2. Talk about peer pressure and that they always have a choice to say no.
3. Discuss what it means to make good choices and help them understand that our choices have consequences– good and bad.

First grade had a blast using what they've learned about density to design and test their apple boats! The challenge was to create a boat that would float using apple slices, tooth picks, and construction paper.
