1. Approval of the SHS marching band performing for our students on 11/4.

Recommended to approve the SHS marching band to perform for our students on 11/4 with our students being required to wear a mask due to the inability to maintain social distancing during the performance as required according to the rubric. Parents will be given the option to opt-out with those students remaining in the classroom.

Motion made by: David Schatz

Motion seconded by: Jim Goodman

Voting: Unanimously Approved
