We need your help!!

To help with the increasing end of the school day confusion. Parents, please send any change of routine notes with your child at the beginning of the day to verify what your child will be doing at the end of the school day. Parents should call the school office before 2:00 p.m. if there is a daily change. Calling after this time will increase the chance that your child may not be notified due to the hectic schedule at the end of the school day. Your help in this matter would be greatly appreciated.

Team Kaden is a nonprofit foundation established in memory of Kaden Keller who was diagnosed with Leukemia in 2009. Kaden earned his angel wings on September 9, 2014 at the age of 12. His journey continues! We are honored to pay it forward and help families with children in medical need; raise funds for pediatric cancer research; and give two \$2500 scholarships each year to Sullivan High School Seniors who demonstrate a commitment to community service.
