2022 MAP Data

Preliminary MAP results have been received by districts. Results should be finalized by mid December and we will share more detailed information with parents at that time.

These results reflect the percentage of students scoring proficient or advanced in ELA, math, and science in comparison to state performance in these subject areas.

Students and teachers should be proud of their hard work over the past several years to maintain such high performance. Congratulations, Pirates!

PARENT SURVEY RESULTS

Thank you parents for completing the survey and providing feedback for improvement. Please click [HERE](#) to access to the survey results.

BASKETBALL PARENTS

ARE YOUR STUDENTS DRESSED FOR THE WEATHER?

Please be sure to check your email. Review the Parent Meeting Presentation and complete the google form that is linked in that same email. Parents also need to sign up for a regular season basketball shift. All needs to be completed by Friday, November 25th at 3:15pm. Contact Miss Block with any questions.
bblock@springbluffpirates.com

Our weather seems to be changing daily and difficult to track. Please help your child prepare for the unpredictable Missouri weather and make sure they have a coat, hat, and gloves everyday. As long as the windchill is 25 degrees or above, students will go outside for recess and enjoy some fresh air.

CLUB 26 KINDNESS ACTIVITY

Kindness day is Sunday, November 13th, and in honor of that, Club 26 listened to the story "The Jelly Donut Difference: Sharing Kindness with the World" by Maria Dismondy. After listening to the story, students created their own jelly donuts showing their acts of kindness that they show to their friends and classmates.

VETERANS DAY CONCERT

We want to extend our thanks and gratitude to all the veterans and their families for attending our concert.

An additional thank you to Jim Goodman, Kurtis Reed, Jared Schmidt, Storm Schroeter, Mark Braun, and our 8th grade class for the setting up and tearing down of the event.
