## UPCOMING ELECTION

On April 4, 2023 Spring Bluff voters will go to the polls to elect 3 board of education members for 3 year terms each. Incumbents are **Jill Wagner, David Schatz, and Brad Newman**. Typically, an election is not needed if the same number of candidates match the number of open positions. However, a change in statute now requires board member candidates to appear on the ballot if another issue is presented to the voters.

In addition to board of education members, a proposed boundary change between the Sullivan C-2 and Spring Bluff R-XV School Districts will also appear on the ballot. The boundary change is being pursued by a landowner in accordance with [§162.431, RSMo.](#) and board policy, [BBBB: School Board Ballot Issues](#).

A petition was submitted to both districts with the required signatures needed to place the issue on the April ballot in both districts. A simple majority from both districts is needed to approve the boundary change. If the voters in one district approve the change and voters in another do not, an appeal may be made to the State Board of Education within 15 calendar days or the election. The State Board will then appoint a board of arbitration to settle the matter.
